Creating Effective Employee Manuals in 2010 Presented by Strauss and Troy

Thursday February 18, 2010 Time 7:30 am - 10:00 am
Health Foundation at Rookwood Tower
3805 Edwards Rd, Ste. 500 Cincinnati, OH 45209-1948

While each company's employment policies and procedures will necessarily vary depending on company preferences, size, and industry, some key components and issues should be addressed in every employee manual. This Employment Law seminar covers some of the most important aspects of employee manuals, including timely and important changes you should incorporate in 2010. The session includes: **Hot Breakfast / Free Parking and much more...**

- What Policies are most important
- Required legal provisions
- Common handbook errors & omissions
- Four key elements of an effective employee manual
- Effective Internet and Social Media Policies
